# Merry Christmas

VOLUME 1, ISSUE 1

FALL 2017

## Our First Newsletter!

Dodrill Insurance, Inc. is excited to release our first newsletter! This newsletter acts as another way for us to demonstrate our ongoing commitment to serving with integrity through regular communication, personal relationships and community involvement.

Each quarter, this newsletter will offer insurance related information, announce

upcoming community events, highlight members of the community we serve and introduce you to our staff. We hope that you get to know us better as you read our stories and learn about the Dodrill Insurance community.

We encourage and appreciate your feedback! Our phone number, website and mailing address are included in this newsletter, or you can simply stop by to say hi.

Our Staff

Please feel free to contact us if you have a story you would like to share in our newsletter.

Sincerely,  
The Dodrills

## We Need Your Help . . .

The holidays always remind us of food and children. Food, it seems, is a staple at every holiday event. Children, and their look of anticipation, brings back childhood memories of the excitement we all have felt as a kid.

A few of years ago, we had the opportunity to volunteer at an event which provided food for children that were malnourished and worried about surviving another day. We were so impressed and moved, our whole office

volunteered to participate at the next available mobile packing event.

As a business, we want to make a difference locally as well as globally. With that in mind, we think that there is no better time than Christmas to announce an opportunity that will help children who do not have access to the proper nutrition they need.

In the new year, Dodrill Insurance Inc. is partnering

with Feed My Starving Children (FMSC) to host a mobile food packing event.

Feed My Starving Children was founded in 1987 by businessman Richard Proudfit, when he began working to develop an effective and nutritious meal

formula. With the help of food science and nutrition professionals, they developed a meal that helps reduce problems caused by

undernutrition. These meals are called MobilePack meals. Since 1987, almost two billion meals have been packed and shipped by over a

million volunteers to feed children all over the world.

On March 24<sup>th</sup>, 2018 Dodrill Insurance will be hosting a packing event at Alameda International Jr./Sr. High School with the goal of packing more than 101,000 MobilePack meals. To reach our goal, we need 200 to 300 volunteers to pack food for a two hour shift on that day. Sign up begins in February. Look for our next newsletter for more details.

## Our Agency

Our agency was co-founded by Dale Dodrill after he completed a professional football career. He played for the Pittsburgh Steelers and later coached the Denver Bronco before settling down in Denver, CO. Dale opened Dodrill Insurance in 1961 in downtown Denver. Then, a few years later, Dale bought out his partner for full control of the company.

Eventually he moved the office to its current location in Lakewood, CO in the early 70s.

In 1981 Dale's son Garrett joined him at Dodrill Insurance, making the family business multigenerational. A few years later in 1986 David also joined his father and brother at the company. David and Garrett then bought the business from their father in 1991. Through the sturdy foundation provided by Dale Dodrill, as well as many years of your loyal support, Dodrill Insurance has grown dramatically. Today we have a staff of 15 with over 100 years of collective experience in the insurance industry. We have clients in over 20 states and we represent over 35 different carriers. Whether you've been with us from the beginning or just joined us, we're thankful for your business! You have helped us get to where we are today and we are grateful for your support.
